Kalamazoo College, Department of Biology

## Yellow-Banded Abdomen:

*B. auricomus*  
Black-and-gold bumble bee  
S 3

*B. pensylvanicus*  
American bumble bee  
S 3

*B. terricola*  
Yellow banded bumble bee  
N 3

## Brown on Mid-Abdomen:

*B. griseocollis*  
Brown-belted bumble bee  
A 1

*B. affinis (worker)*  
Rusty-patched bumble bee  
S 4

## Mostly Black Abdomen:

*B. bimaculatus*  
Two-spotted bumble bee  
A 1

*B. citrinus*  
Lemon cuckoo bumble bee  
S 3

*B. impatiens*  
Common eastern bumble bee  
A 1

## Miscellaneous:

*B. ashtoni* 5  
Gypsy cuckoo bumble bee

*B. fernaldae* 5  
Fernald's cuckoo bumble bee

## Red on Abdomen:

*B. rufocinctus*  
Red-belted bumble bee  
S 2

*B. ternarius*  
Tri-colored bumble bee  
N 1

*B. frigidus* 5  
Frigid bumble bee

*B. fraternus* 5  
Southern Plains bumble bee

## Mostly Yellow Abdomen:

*B. affinis (queen)*  
Rusty-patched bumble bee  
S 4

*B. borealis*  
Northern amber bumble bee  
S 3

*B. fervidus*  
Yellow bumble bee  
S 2

*B. insularis* 5  
Indiscriminate cuckoo bumble bee

*B. rufocinctus*  
Red-belted bumble bee  
S 2

*B. perplexus*  
Confusing bumble bee  
S 2

*B. sandersoni*  
Sanderson's bumble bee  
S 2

*B. vagans*  
Half-black bumble bee  
A 1

Range		KEY
S	Southern MI	
N	Northern MI	
A	All MI	
Abundance		
1	Common	
2	Uncommon	
3	Conservation Concern	
4	Federally Endangered	
5	Possibly Extirpated
