B. griseocollis
Brown-belted bumble bee

A ①

B. pensylvanicus
American bumble bee

S ③

Mostly Yellow Abdomen:

B. borealis
Northern amber bumble bee

A ③

B. citrinus
Lemon cuckoo bumble bee

S ③

B. fervidus
Yellow bumble bee

S ②

B. perplexus
Confusing bumble bee

S ②

Yellow-Banded Abdomen:

B. auricomus
Black-and-gold bumble bee

S ③

B. terricola
Yellow banded bumble bee

N ③

Red on Abdomen:

B. ternarius
Tri-colored bumble bee

N ①

B. rufocinctus
Red-belted bumble bee

S ②

Miscellaneous (rare/endangered)

B. affinis
Rusty-patched bumble bee

S ④

B. ashtoni ⑤
Gypsy cuckoo bumble bee

B. fernaldae ⑤
Fernald's cuckoo bumble bee

B. fraternus ⑤
Southern Plains bumble bee
[no illustration available]

B. frigidus ⑤
Frigid bumble bee

B. insularis ⑤
Indiscriminate cuckoo bumble bee

Location/Status

- S Southern MI
- N Northern MI
- A All MI
- ① Common
- ② Uncommon
- ③ Conservation Concern
- ④ Federally Endangered
- ⑤ Possibly Extirpated
